

CORONAVIRUS RISK ASSESSMENT 2021/22

- The equipment is only to be used within the confines of a private premises or wedding venue
- Inflatables should only be allowed in rear gardens or outside venues.
- Preferably electronic noncontact payments will be accepted prior to delivery. Cash transactions should be avoided - we have a website and booking system linked to Worldpay to enable contactless payments or we can give you our company bank details for direct bank transfer. If cash must be used then it should be left in an envelope for us pls.
- Ts&Cs will be sent out prior to delivery via your confirmation email – these can also be found under the tab H&S on our website www.evoinflatables.co.uk, alongside a safety sheet and these guidelines. Ts&Cs must be signed via the disclaimer before the inflatable has been delivered. This can be signed electronically.
- We as a delivery company will at all times ensure that we adhere to any social distancing guidelines when setting up and removing the equipment from people's premises or the venue.
- No contact should be made by yourselves, any clients or any children whilst the castle is being set up.
- Our staff are kept safe when delivering equipment by using hand sanitiser before the delivery and when they are back in their vehicles, and they wash their hands before leaving the unit and when they get back to the unit or their house. Masks will be worn if the client, venue or driver so wishes.
- Equipment will be thoroughly cleaned /disinfected before delivery and before it can be re-hired.
- These policies enforced by the Government are designed to protect us, you and your clients during any COVID-19 pandemic and save lives and protect the NHS. Thank you for your understanding during this time and STAY SAFE. For more information please refer to <https://www.gov.uk/coronavirus>.
